

GREAT JINGLE SALE TO

\$2 FOR A JINGLE OVER 30,000 JINGLES were entered in this week's contest. The great Jingle Sale is on. Visit the stores and write a Jingle on the articles they have for sale on the Jingle table. No Jingle can be a prize winner unless you find out from each store the Jingle articles. Send in as many Jingles as you please of 4 lines each, provided each is written on a separate slip of paper and only on one side. If you have not been a winner in today's, you may be in next Saturday or Sunday's Star, as there are quite a few out-of-town advertisers that I have not heard from. Address "TOMMY TUCKER," The Star.

THEY'VE STOOD THE TEST OF TIME.

Every believer in genuine comfort and true economy wears our Saxony wool jackets and sweaters. For 34 years we've been getting these garments direct from the woolen mills, from both sides of the Atlantic. We handle them in immense quantities and retail at wholesale prices, \$1.50 to \$2.50 per garment. We ship these goods to all parts of the U. S. We put new sleeves in our Saxony wool jackets and sweaters when worn at elbow after 5-6 years' use.

Stands for health and for happiness, too,
One without the other can hardly be true.
To fully enjoy both you must go to Auerbach
And put one of his sweater coats on your back.
My grandpa got his jackets there many years ago,
My father wears a "Saxony Wool" in the sleet and snow.
My husband got a sweater at Seventh and H,
For Auerbach's Sweater Coats are all the rage.
